tion now since we have a large number of the members on the floor. Resolution #13, it is on page 210 of the Legislative Journal of yesterday. Order, order in the Chamber. Senator Beyer.

SENATOR BEYER: Pat, are you going to read that resolution?

CLERK: If you would like me to, Senator, I will.

SENATOR BEYER: Would you, please?

CLERK: Certainly. Mr. President, LR 13 offered by Senator Beyer. (Read LR 13.) Mr. President, that resolution is found on page 210 of the Journal.

PRESIDENT: Senator Beyer. Just a minute, Senator. Order in the Chamber, please.

SENATOR BEYER: Mr. President and members of the Legislature, I rise to support LR 13. This resolution recognizes the Nebraska Cooperative Extension Service, its employees and the more than 29,000 volunteers of the organization. I especially want to thank and recognize the volunteers who gave over 3 million hours of their time. If the state had to try to pay these volunteers to support this program, it would cost over \$17 million, but instead of costing the state, their programs save the state money. I know most of us support any activity that saves the state money. Please show your support by voting for this resolution. Thank you.

PRESIDENT: Is there further discussion? Are you ready for the vote? Those in favor vote aye, opposed vote no. Have you all recorded your vote? The Clerk will record the vote.

CLERK: 33 ayes, 0 nays, Mr. President, on adoption of the resolution.

PRESIDENT: The motion carried. Do you have any messages or reports, Mr. Clerk?

CLERK: Mr. President, one other item has come in. The Executive Board will be meeting tomorrow at eleven-thirty in Room 2102. Executive Board tomorrow at eleven-thirty in Room 2102 for purposes of referencing bills.

PRESIDENT: Thank you. Proceed to item #5 on today's agenda, the introduction of new bills, bills on first reading, Mr. Clerk.

CLERK: (Read by title for the first time, LB 400-428 as found on pages 222-227 of the Legislative Journal.)
